[ASSENTED TO 6 AUGUST 2004]

[DATE OF COMMENCEMENT: 1 NOVEMBER 2004]

(English text signed by the President)

ACT

To provide for the co-ordination of concurrent national and provincial legislative competence over matters relating to casinos, racing, gambling and wagering, and to provide for the continued regulation of those matters; for that purpose to establish certain uniform norms and standards applicable to national and provincial regulation and licensing of certain gambling activities; to provide for the creation of additional uniform norms and standards applicable throughout the Republic; to retain the National Gambling Board; to establish the National Gambling Policy Council; to repeal the National Gambling Act, 1996; and to provide for matters incidental thereto.

Preamble

CONSIDERING that the Constitution of the Republic of South Africa, 1996 (Act 108 of 1996), establishes that casinos, racing, gambling and wagering are matters of concurrent national and provincial legislative competence;

It is desirable to co-ordinate activities relating to the exercise of that concurrent competence within the national and provincial spheres of government;

It is desirable to establish certain uniform norms and standards, which will safeguard people participating in gambling and their communities against the adverse effect of gambling, applying generally throughout the Republic with regard to casinos, racing, gambling and wagering, so that-

- * gambling activities are effectively regulated, licenced, controlled and policed;
- * members of the public who participate in any licenced gambling activity are protected;
- * society and the economy are protected against over-stimulation of the latent demand for gambling; and
- * the licensing of gambling activities is transparent, fair and equitable;

It is expedient to establish certain national institutions, and to recognise the establishment of provincial institutions, which together will determine and administer national gambling policy in a co-operative, coherent and efficient manner.

BE IT THEREFORE ENACTED by the Parliament of the Republic of South Africa, as follows-

- (b) within the Republic, in the case of a national licence.

(2) After considering the matters contemplated in subsection (1), the provincial licensing authority or the board must refuse the application unless there are overriding public interest reasons for approving it, if it appears that approving the application would result in the applicant, alone or in conjunction with a related person, achieving market power.

(3) A provincial licensing authority or the board must not grant a transfer of a licence or approval of that acquisition, as the case may be if, after conducting the prescribed investigations, the licensing authority or the board has reason to believe that, as a result of that transfer or acquisition, a person who is disqualified in terms of section 50 (2) or relevant provincial law would directly or indirectly hold any of the total financial interest in the licensee or the business to which the licence relates.

60 Surrender of licence
