

# GROWING THE INDUSTRY, SUPPORTING THE ECONOMY.

The Casino Association of South Africa (CASA) has released its latest survey into the local casino industry, giving you insight into how much money is generated, how it is distributed and exactly who benefits.

## R18.5 billion

In gross gambling revenue generated by CASA member casinos  
3.5% increase from R17.8 billion in the previous year

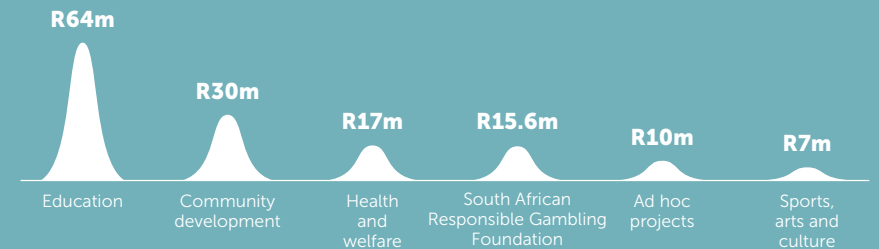

## R2.7 billion

Spent on CAPEX  
This represents 14.5% of CASA members' gross gambling revenue

## R739 million in CSI contributions over the last 5 years.

For the year ended March 2018, R143 million was spent as follows:

## R6.1 billion

In taxes and levies towards local economy  
This represents 37% of value generated

## R3.7 billion

Distributed to employees  
This represents 23% of value generated

## 38 120

Jobs supported by the casino industry
